

Eisenhower Drive Public Open House Plans Display Announcement

The Pennsylvania Department of Transportation (PennDOT) in coordination with the Federal Highway Administration (FHWA) will hold a Public Open House Plans Display for the Eisenhower Drive Extension Project.

The Project is intended to provide transportation improvements aimed at addressing the traffic congestion and safety improvements within the study area. The Project study area includes Conewago, Union, and Oxford Townships, and McSherrystown Borough in Adams County, and Hanover Borough and Penn Township, in York County.

The Public Open House Plans Display will be a drop-in event held on May 9, 2019 from 2:00 to 7:00 pm, at the Southeast Adams Volunteer Emergency Services facility located at 5865 Hanover Road, Hanover, PA 17331. The purpose of the meeting is to provide information on the status of the project, display the alternatives being carried forward for detailed analysis, and provide the public an opportunity to provide feedback on the project.

The meeting is accessible to persons with disabilities. Translation services will be available at the meeting. Anyone requiring special assistance should contact Neil Beach at (717) 741-6249. For more information regarding the project contact Ben Singer, PennDOT Project Manager at (717) 787-6690, or visit the project website at eisenhowerdriveextension.com.
